This document is for HP printers and computers with Windows. The printer cannot print from a computer because a print job is stuck in the print queue. This stuck print job cannot be cancelled or deleted and prevents further print jobs from printing.

HP Printers - Print Jobs Stuck in Print Queue (Windows ...

The Windows 10 Start menu has tiles instead of desktop icons. Tiles easily open your software programs with one touch or click. They are typically larger and more colorful than icons, and some are live, meaning they can provide animated, timely updates displayed directly from their tile. For example, the Mail tile shows new messages as they come in, the Calendar tile shows upcoming events, the ...
