Plenty of people have done the 3.3 h6 swap into manual gC8 imprezas. That being said, you may want to look into gear ratios of the legacy transmission and the outback. You'd be using the legacy front and center diff with an outback rear diff. If they don't match you will run into issues.

H6 swap to Legacy Spd anyone done this? | MNSubaru

There are four ways to get a running H6 Subaru. For engine or trans swapping purposes, the 2001-2004 non VDC cars are the simplest. The easiest is just to buy a decent H6 Subaru. I would recommend this, if you want a manual trans, swap one in, you'll probably need to swap the rear diff too, still less work and expense than an engine swap.

2002 EZ30 H6 into 1999 Outback swap - Subaru Transplants ...

H6 swapped members. Pm me and ill post your build as confirmed or in progress. Official H6 swap thread FAQ What are the major issues in this swap? so far ive found: -radiator needs to be moved forward under the crossmember, adding 2 cyl to the front of what you already had losses...

Subaru: Swapping an automatic with a manual! ... This is an even easier swap as you don't need to swap out the differential as it's the same 4.11 as the automatic impreza. There's a pretty good write up of the swap on a Turbo Legacy on Josh's Legacy Swap Page. He also swapped in the hydraulic clutch set-up, which is a little more involved.

Subaru: Swapping an automatic with a manual. | Subaru ...

Welcome to BUSARU. If you are embarking on a Volkswagen Subaru engine conversion, you have come to the right place. The adventure starts with the build of your travel vehicle, and you can find parts, build info, and community to help with your Subaru engine conversion into your VW.

VW Subaru Engine Conversions

The H6 engine (especially the second generation) is already a powerful engine, with over 80HP / liter power output. EZ30 Mark I Exhaust port arrangement One area that the engine is lacking is the design of the exhaust headers.

Tuning the Subaru EZ30 H6 Engine - MotorWiki

If i am going to do a swap, I want the best drive ability for daily use. I needs that TQ! That Haltek is a bit pricey eh! Over 2k for a starter loom and ECU. Yeah I was looking up a low boost setup for the H6 after the swap goes proper, I would just change out HG and freshen up the timing guides, swap out fuel pumps with a walbro or STI.
