Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

The Antidote Happiness For People

In The Antidote, Burkeman attempts to provide a counterpoint to the ubiquitous positive-thinking messages we hear, from The Secret to corporate goal setting. He argues that our attempts to find happiness by thinking positively, concentrating on success, eliminating doubt, and setting specific goals actually make us more unhappy.

The Antidote: Happiness for People Who Can't Stand ...

The Antidote is a series of journeys among people who share a single, surprising way of thinking about life. What they have in common is a hunch about human psychology: that it's our cons A witty, fascinating, and counterintuitive read that turns decades of self-help advice on its head and forces us to rethink completely our attitudes toward failure, uncertainty, and death.

The Antidote: Happiness for People Who Can't Stand ...

In The Antidote, Burkeman explores many definitions of the concept of happiness: having everything you need; setting goals that you work toward and reach; living without regret; enjoying every moment of your life; always feeling positive about your life; living without fear of death; feeling safe and secure; believing in yourself and your ability to succeed; living with mystery and uncertainty. He dismisses some of these and embraces others.
