Blake T. Haskell, K1BTH writes: I need some help with radio testing next Saturday, November 6, 2004, from 0900 - 1200 (approx.). We have been approached by a potential "served agency" that may require our EMCOMM services and we need to test several of their locations within the City of Boston to see if we can hit a variety of repeaters on the UHF and/or VHF bands.

About Us. The Nantucket Amateur Radio Association (NARA) is the local affiliate of the American Radio Relay League (ARRL), a national organization established to promote and advance the art, science, and enjoyment of amateur radio. NARA began as a social group that brought together amateur radio operators ("hams") of various interests: occasional operators, tinkerers and experimenters ...

Nantucket Amateur Radio Association - ema.arrl.org

I've been a Ham for almost 40 years and I've owned quite a few ARRL Repeater Directories. They used to be much different. They were used to come in two sizes, a pocket and a desk size. The directory used to be the collected repeater information from all the repeater coordinators (the people who say what repeater can go where) from each region.

Amazon.com: Customer reviews: The ARRL Repeater Directory

ARRL Repeater Directory License Agreement between the ARRL and the Ohio Repeater Council (and every other state) effective September 30th, 2016. We were very disappointed in the RFinder Repeater Directory that was published in 2017. It contained incorrect, out of date and unverified information scraped from the internet.
